

## PRAMIT DUTTA, B.Sc(Pursuing)

Email: [pramitduttaanik@gmail.com](mailto:pramitduttaanik@gmail.com)

[Click on the icons to visit my profile]

---

### SKILLS AND FIELD OF INTEREST

---

**Programming Language:** HTML, CSS, Javascript, PHP, MySQL, Python, MATLAB

**Framework:** Tensorflow

**Technology:** Web Development, Machine Learning, Intelligent Control

---

### EDUCATION

---

**B.Sc In ETE(Pursing).** Chittagong University of Engineering & Technology (Chittagong, Bangladesh)

- GPA: 3.77/4.00 (till 6<sup>th</sup> Semester)

---

### EXPERIENCE

---

**GaoTek Inc.**

May, 2021 – September, 2021 (4 months)

-Worked as an engineering interns. My responsibility was to provide tech support to my teams.

---

### PROJECTS

---

#### 1. Brain Tumour Classification Using Transfer Learning

[Check It Out](#)

- A model to classify different types of brain tumour into their particular types using transfer learning model Inception V3.

#### 2. Customer Behaviour Prediction

[Check It Out](#)

- Designed an Artificial Neural Network to predict which customer of a bank will close their account.

#### 3. Automated Egg Incubator

[Check It Out](#)

- Designed a fuzzy logic model to control relative humidity and temperature in an incubator

#### 4. Face Detection

[Check It Out](#)

- A model to detect human face in an image using OpenCV in python

---

### ACHIEVEMENTS

---

- 2<sup>nd</sup> Runner-Up in both RECRUITMENT4.0 and LEADERSHIP4.0 organized by JobMarketBD.Ltd
- 4 publications (3 IEEE papers and 1 Springer paper)

---

### CERTIFICATION

---

1. DeepLearning.AI TensorFlow Developer Professional Certificate [[External Link](#)]

2.TensoeFlow Advance Techniques Specialization Certificate [[External Link](#)]
