PRAMIT DUTTA, B.Sc(Pursing)

Email: pramitduttaanik@gmail.com

SKILLS AND FIELD OF INTEREST

Programming Language: HTML, CSS, Javascript, PHP, MySQL, Python, MATLAB
Framework: Tensorflow
Technology: Web Development Machine Learning, Intelligent Control

---

EDUCATION

B.Sc In ETE(Pursing). Chittagong University of Engineering & Technology (Chittagong, Bangladesh)
- GPA: 3.74/4.00 (till 4th Semester)

PROJECTS

1. Brain Tumour Classification Using Transfer Learning   **Check It Out**
 - A model to classify different types of brain tumour into their particular types using transfer learning model Inception V3.

2. Customer Behaviour Prediction   **Check It Out**
 - Designed an Artificial Neural Network to predict which customer of a bank will close their account.

3. Automated Egg Incubator   **Check It Out**
 -Designed a fuzzy logic model to control relative humidity and temperature in an incubator

4. Face Detection   **Check It Out**
 - A model to detect human face in an image using OpenCV in python

---

ACHIEVEMENTS

- 2nd Runner-Up in both RECRUITMENT4.0 and LEADERSHIP4.0 organized by JobMarketBD.Ltd
- 3 publication (2 IEEE paper and 1 Springer paper[yet to be published])

CERTIFICATION

1. DeepLearning.AI TensorFlow Developer Professional Certificate [External Link]
